ABOUT US

At Kiran Enterprises, we are a forward-thinking agricultural trading company established in 2024, committed to delivering exceptional quality products to meet the global demand. Based in Samastipur, Bihar, India, we specialize in the export of premium agricultural produce such as onions, garlic, baby corn, bananas, and various grain powders, including banana and onion powders. With a focus on excellence and integrity, we aim to serve both domestic and international markets with reliable and high-standard products. Our mission is to bridge the gap between farmers and global consumers by adhering to internationally recognized quality standards. We are equipped with critical export certifications, including IEC, APEDA RCMC, GLOBAL GAP, and GLOBAL GMP, ensuring that our products comply with stringent international requirements, especially for the European market, which is our primary focus.
